You will gain the following valuable work experience.

- Production knowledge of a week-long outdoor guitar concert series showcasing both established and emerging artists in a 1,000 seat venue.
- Work directly under the FOH Engineer as part of the Audio Crew gaining knowledge of 48 channel consoles in order to provide showtime coverage, as well as trouble shoot stage issues both before and during the show.
- Work in collaboration with video, stage, and light production crews.
- Load and unload sound equipment of up to 75lbs.
- Your shifts will start daily at 10am and your services may be needed nightly until 11pm. These are long days, but there is down time, to enjoy the lodge grounds, good music, food and friends.
- Please provide superior customer service at all times. You are the face of the Crown and your interactions and attitudes enable folks to share the love of guitar, in a relaxed setting all while enjoying the splendor of Montana.

Crown of the Continent Guitar Foundation will provide meals at 8am, noon & 5pm daily for volunteers, event staff and interns. During your work/stay with the Crown, we will provide a guest bedroom within a private residence as close as possible to the event grounds.

Crown Guitar Festival

2016 Festival Front of House Manager Internship Opportunity
Issued 4/1/2016, open until filled or 7/1/2016.

You will gain the following valuable work experience.
• Be a part of the Crown Production Team working directly with the Stage Manager, Festival Manager, Front of House Engineer, Video Engineer and production crew.
• Work under the direct supervision of the Festival Manager to oversee 6-10 volunteer ushers to accomplish seating a 1,000 seat venue. The house starts to seat at 6:30pm and shows start at 7pm.
• Interact with patrons in a friendly manner with the ability to problem solve & be assertive when needed.
• Your shifts will start daily at 3pm and your services may be needed nightly until 11pm. These are long days, but there is down time, to enjoy the lodge grounds, good music, food and friends.
• Ability to rethink logistics based on genre of evening concert. For example ear plugs would be useful for a rock show, but not needed for a classical performance.

Crown of the Continent Guitar Foundation will provide meals at 8am, noon & 5pm daily for volunteers, event staff and interns. During your work/stay with the Crown, we will provide a guest bedroom within a private residence as close as possible to the event grounds.
